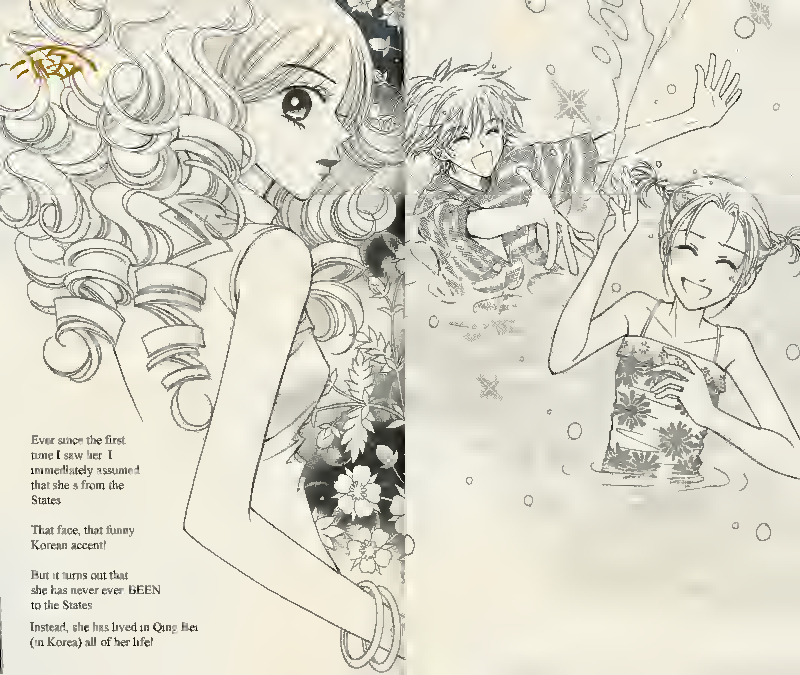
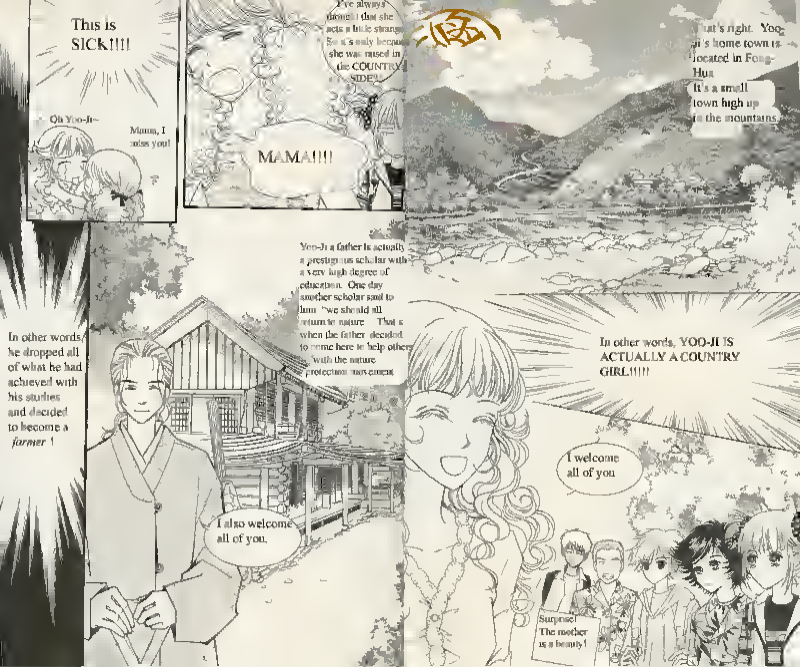
Condemned and tranquilized

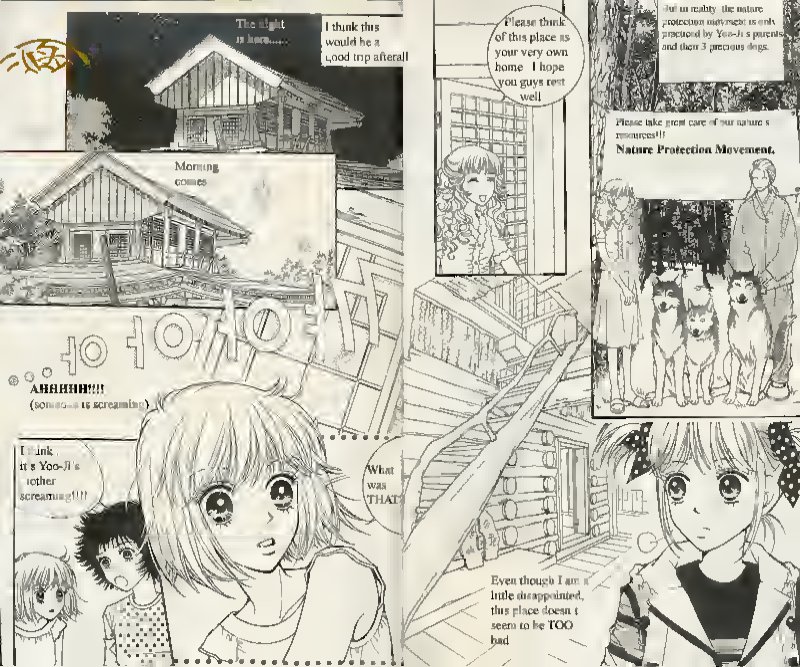
激情巧克力



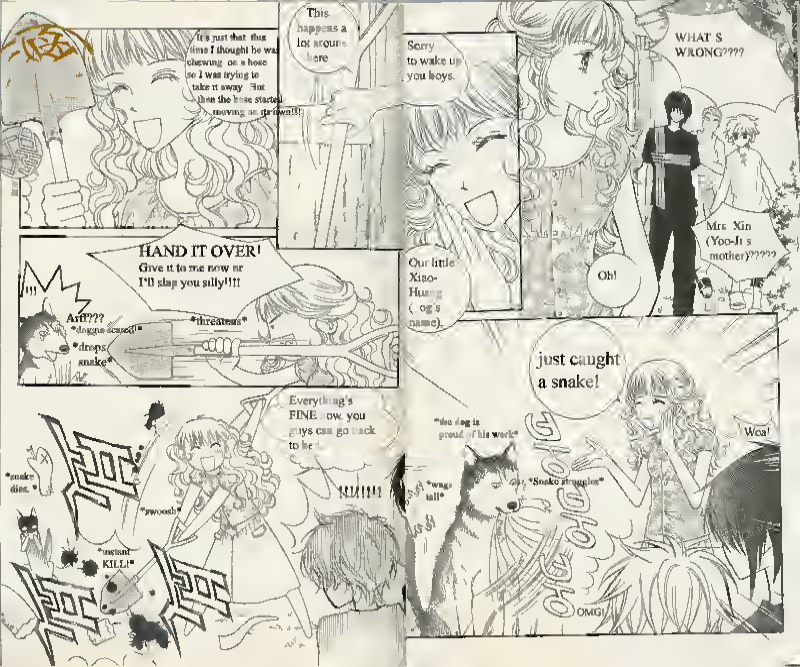
Ever since the first time I saw her I immediately assumed that she s from the States
That face, that funny Korean accent!
But it turns out that she has never ever BEEN to the States
Instead, she has lived in Qing Bei (in Korea) all of her life!



This is SICK!!!!
Oh Yoo-Ji~
Mmm, I miss you!
I've always known that she acts a little strange. So it's only because she was raised in the COUNTRYSIDE!!
MAMA!!!!
That's right. Yoo-Ji's home town is located in Fong-Hua.
It's a small town high up in the mountains.
In other words, he dropped all of what he had achieved with his studies and decided to become a *farmer*!
Yoo-Ji's father is actually a prestigious scholar with a very high degree of education. One day another scholar said to him "we should all return to nature." That is when the father decided to come here to help others with the nature protection movement.
I also welcome all of you.
In other words, YOO-JI IS ACTUALLY A COUNTRY GIRL!!!!
I welcome all of you
Surprise! The mother is a beauty!



The flight is here.....
I think this would be a good trip after all
Please think of this place as your very own home I hope you guys rest well
But in reality the nature protection movement is only practiced by Yoo-Ji s parents and their 3 precious dogs.
Please take great care of our nature s resources!!!
Nature Protection Movement.
Morning comes
AHHHHH!!!!
(someone is screaming)
I think it s Yoo-Ji s mother screaming!!!!
What was THAT
Even though I am a little disappointed, this place doesn t seem to be TOO bad



It's just that this time I thought he was chewing on a hose so I was trying to take it away. But then the hose started moving on its own!!!
This happens a lot around here
Sorry to wake up you boys.
WHAT'S WRONG????
Oh!
Mrs. Xin (Yoo-Ji's mother)?????
Our little Xiao-Huang (dog's name).
HAND IT OVER!
Give it to me now or I'll slap you silly!!!!
Am????

the dog is proud of his work
Snake struggles
wags tail
OMG!
Everything's FINE now, you guys can go back to be
snake dies.
swoosh
instant KILL!

I've always wondered... Why Yoo-Ji is such a strange girl. Now I know it's because she has a mother like THIS!

"my head hurts"

When she came to our group's blind date meeting wearing rubbers in her hair, I instantly knew that she is an odd gal.

Why was she using THAT to tie her hair back with that day is BEYOND ME

What do you mean???

She cut off a finger from a rubber glove and use the pieces for her hair!

Can you believe she actually came out to meet our group with those as her HAIR?

The two of you met at a *group blind date meeting!*

I didn't know that.

Jung-Zhi was just wondering. She really doesn't care about what went on with the meeting back then.

But Lee Xiro thunks differently

!!!!!

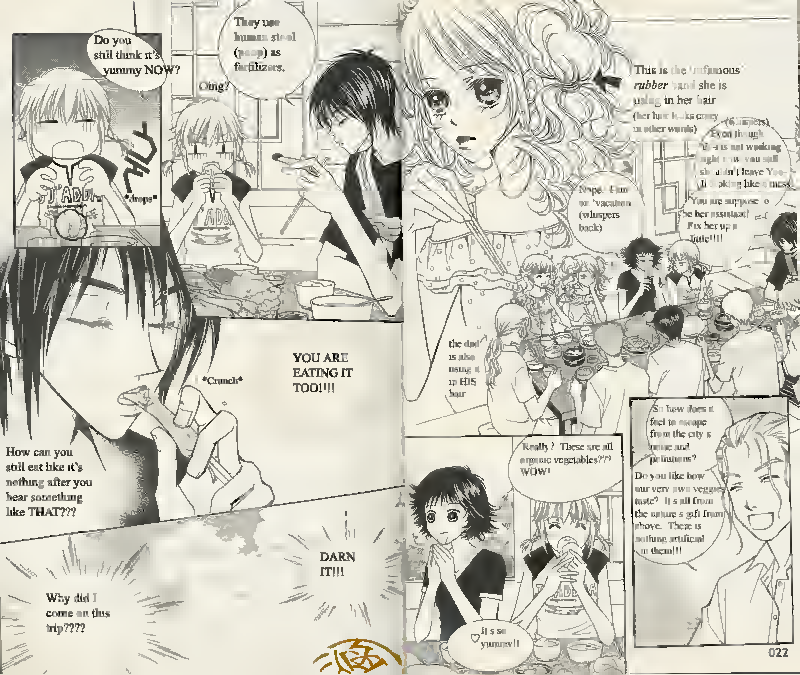
That was WAY in the past

That happened a long time ago! I don't wanna talk about it anymore!!!!

Wait!

Why is he running away?

"Leaves a lived-in room quasi-image"



Do you still think it's yummy NOW?
drops
They use human stool (poop) as fertilizers.
Omg?
How can you still eat like it's nothing after you hear something like THAT???
Crunch
YOU ARE EATING IT TOO!!!
Why did I come on this trip????
DARN IT!!!
This is the 'infamous' rubber and she is using in her hair (her hair is as crazy in other words)
Nope. I am on 'vacation' (whispers back)
the dad is also using it in HIS hair
Really ? These are all organic vegetables??? WOW!
It's so yummy!!
So how does it feel to escape from the city's intense and polluted environment?
Do you like how your very own veggies taste? It's all from the nature's gift from above. There is nothing artificial in them!!!
022

I guess it doesn't matter which beach, as long as I get to swim in one!!!!

Originally I bought this for the beach I hanged for in America. Now, it looks like I didn't waste my money afterall! I will wear it today!!

HEHEHE!!!

Be well prepared!!

holds her new swim-suit

They saw it!!!

SHOCKED

I hope they do...

Do they sell ramen around here? I'm scared to eat at the house.

Eww.

Why did I have to see THAT?

Grow my little babies!

The seed is actually processed and purified first before using

All the ones that want to go swimming...

I THOUGHT WE ARE GOING SWIMMING!
It turns out that there's no beach, but just a small lake.

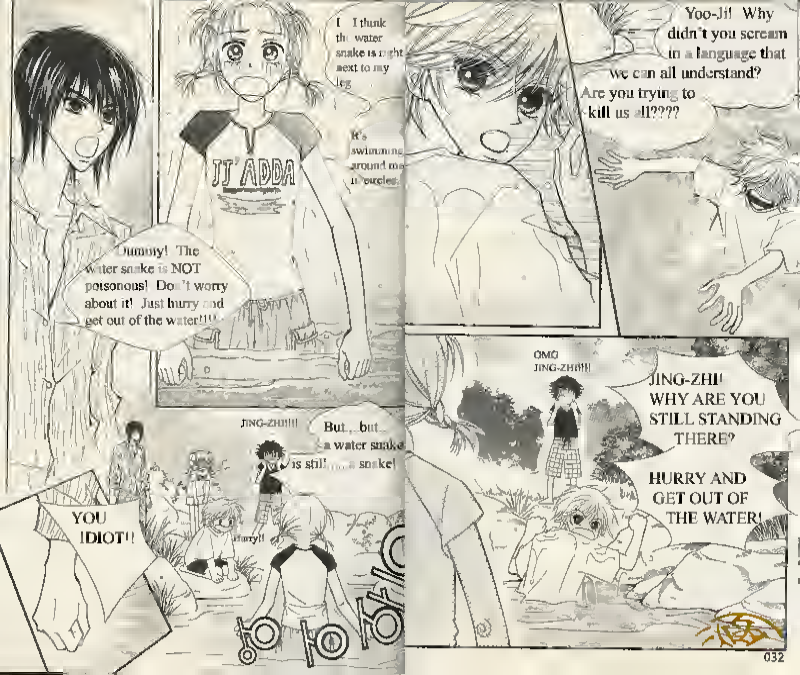
(they are swimming with clothes on)
Haha!
Yay!
Jing-Zhi come on in! Join us! The water feels so nice!!!

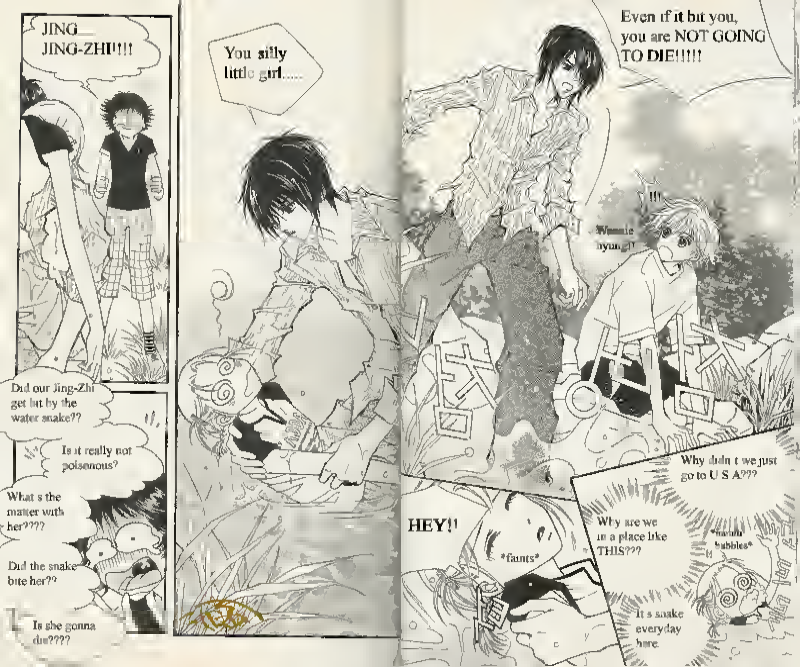
I want to stay here instead.
Are you going back with Mr Sheng tomorrow?
You. What about you?
What do you plan to do about *them* from now on?
If I'm here *they* won't be able to bother me.
See? I told you It feels wonderful, doesn't it???
He is holding her hand.
AWWWW STOP IT YOU TWO!!!! ♡
You guys are making me blush!!!!
AUNTIE!!!

AHHH!!!
Long water bug!!
A LONG WATER BUG!!!!!
There is nothing I CAN do... My father never listens to anything I say anyway. I'll let them figure it out.
As long as they don't try to 'drag' me into the 'mess'
What's a 'long water bug ???
Long water bug ?
what happens after will make absolutely no difference to me
That's what the people here call the water snakes!
.....

Lin Wan's grandma, Lan Ling, is another part of Qing Bei, so he knows about this "stuff".



I... I think th water snake is right next to my leg.
It's swimming around me in circles.
JT ADDA
Dummy! The water snake is NOT poisonous! Don't worry about it! Just hurry and get out of the water!!!!
JING-ZHI!!!!
But... but... a water snake is still a snake!
YOU IDIOT!!
Hurry!!
Yoo-Ji! Why didn't you scream in a language that we can all understand? Are you trying to kill us all????
OMG JING-ZHI!!!
JING-ZHI! WHY ARE YOU STILL STANDING THERE?
HURRY AND GET OUT OF THE WATER!



JING___
JING-ZHI!!!!
Did our Jing-Zhi get hit by the water snake??
Is it really not poisonous?
What's the matter with her????
Did the snake bite her??
Is she gonna die????
You silly little girl.....
Even if it but you, you are NOT GOING TO DIE!!!!!
!!!
Wannie nyan..?!
Why didn't we just go to U S A???
HEY!!

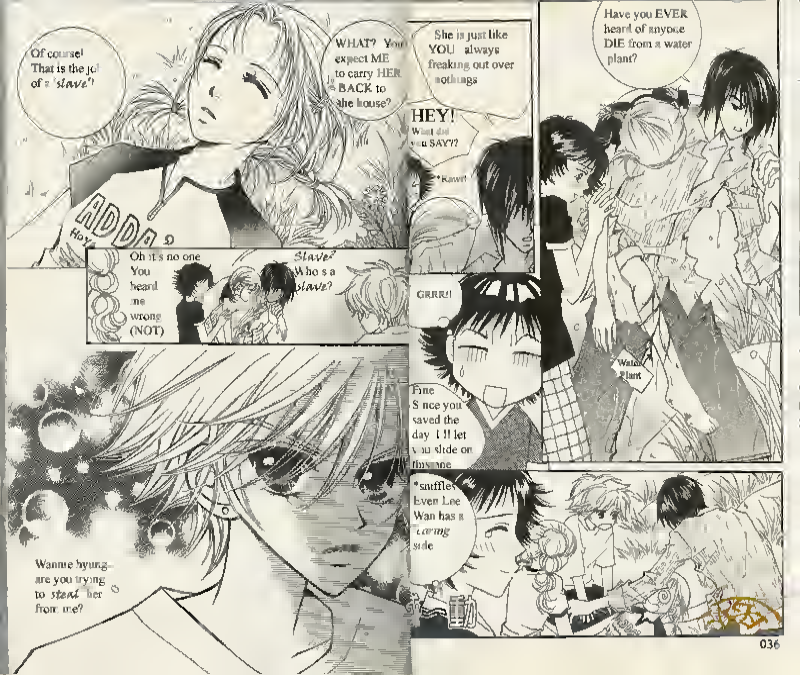
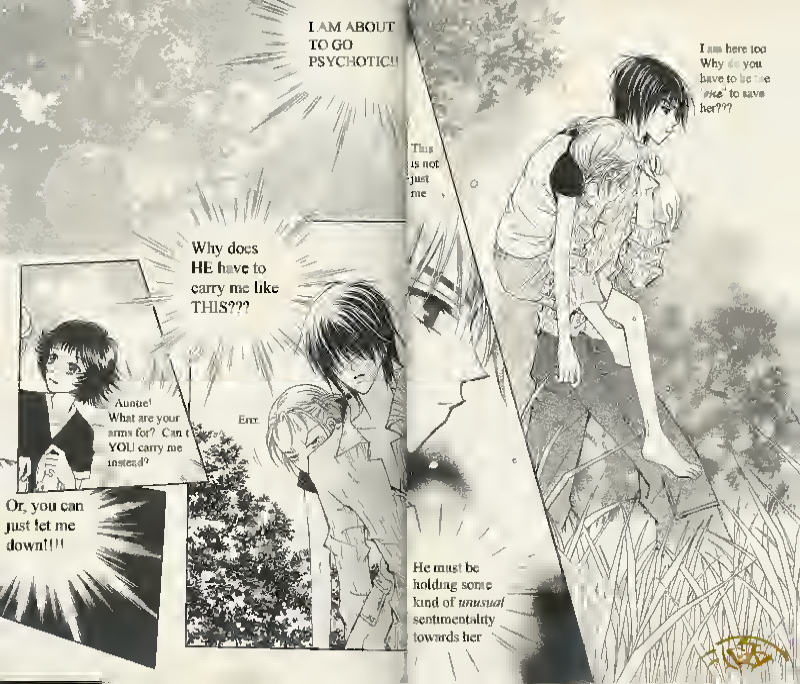
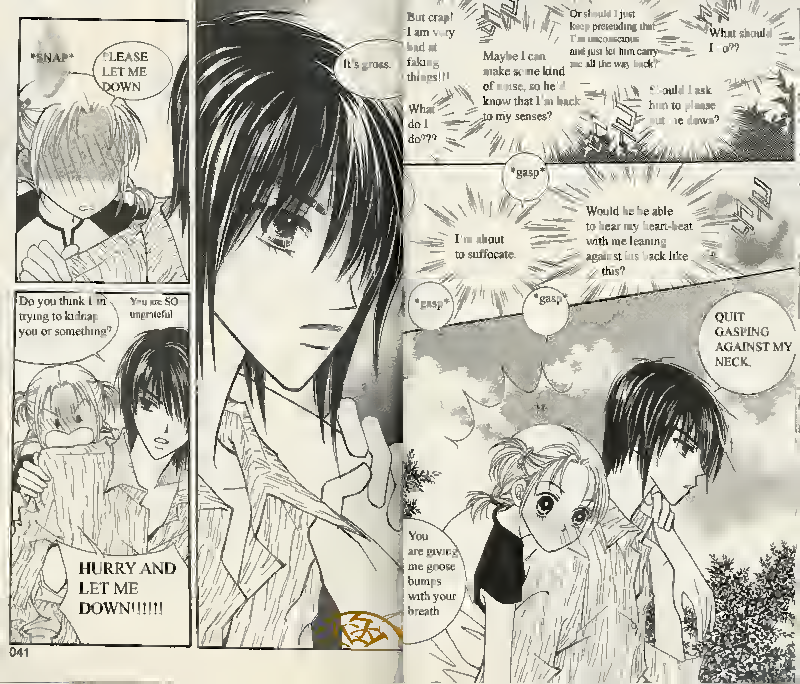
It's snake everyday here.



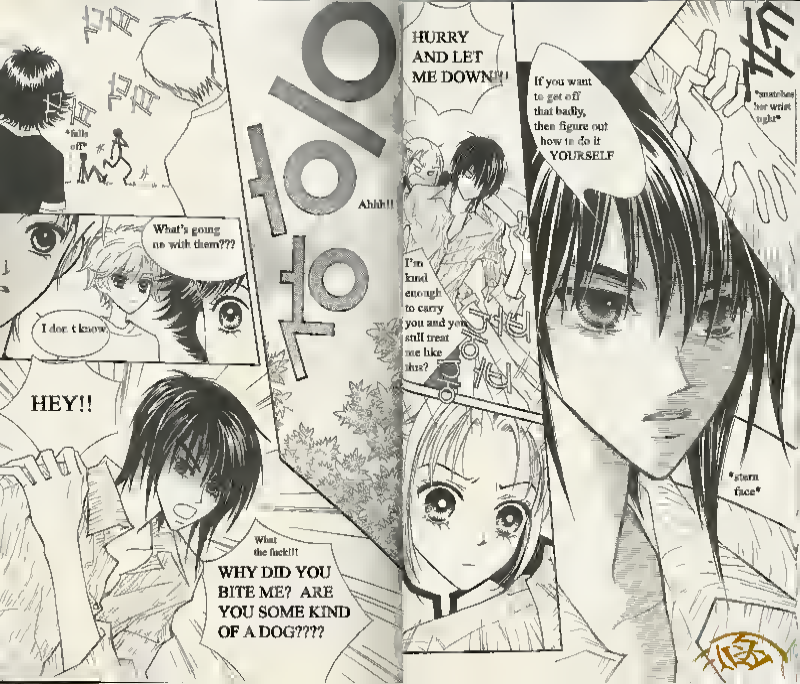
Of course! That is the job of a 'slave'!
WHAT? You expect ME to carry HER BACK to the house?
ADDA
Hey!
Oh it's no one. You heard me wrong (NOT)
Slave? Who's a slave?
Wannie hyung- are you trying to steal her from me?
She is just like YOU always freaking out over nothings
HEY! What did you SAY??
*Kawn!
GRRR!
Fine. Since you saved the day I'll let you slide on this one.
sniffle Even Lee Wan has a caring side
Have you EVER heard of anyone DIE from a water plant?
Water Plant



I AM ABOUT TO GO PSYCHOTIC!!
Why does HE have to carry me like THIS???
Auntie! What are your arms for? Can't YOU carry me instead?
Err
Or, you can just let me down!!!!
This is not just me
I am here too Why do you have to be like 'HE' to save her???
He must be holding some kind of *unusual* sentimentality towards her

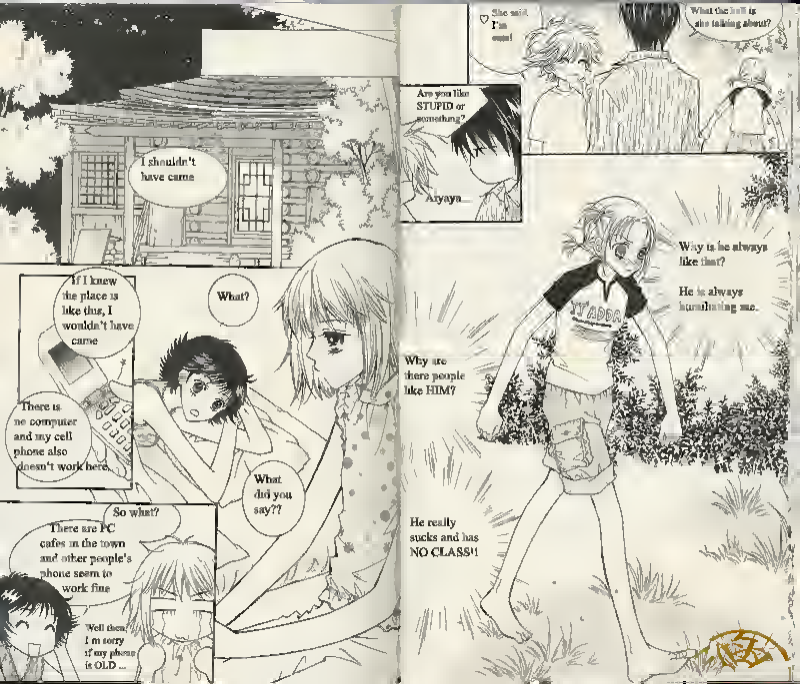


SNAP
"LEASE LET ME DOWN
It's gross.
But crap! I am very bad at faking things!!!
What do I do??
Maybe I can make it so me kind of pause, so he'll know that I'm back to my senses?
Or should I just keep pretending that I'm unconscious and just let him carry me all the way back?
What should I do??
Should I ask him to please put me down?
gasp
I'm about to suffocate.
Would he be able to hear my heart-beat with me leaning against his back like this?
gasp
gasp
QUIT GASPING AGAINST MY NECK.
You are giving me goose bumps with your breath
Do you think I'm trying to kidnap you or something?
You are SO ungrateful
HURRY AND LET ME DOWN!!!!!!

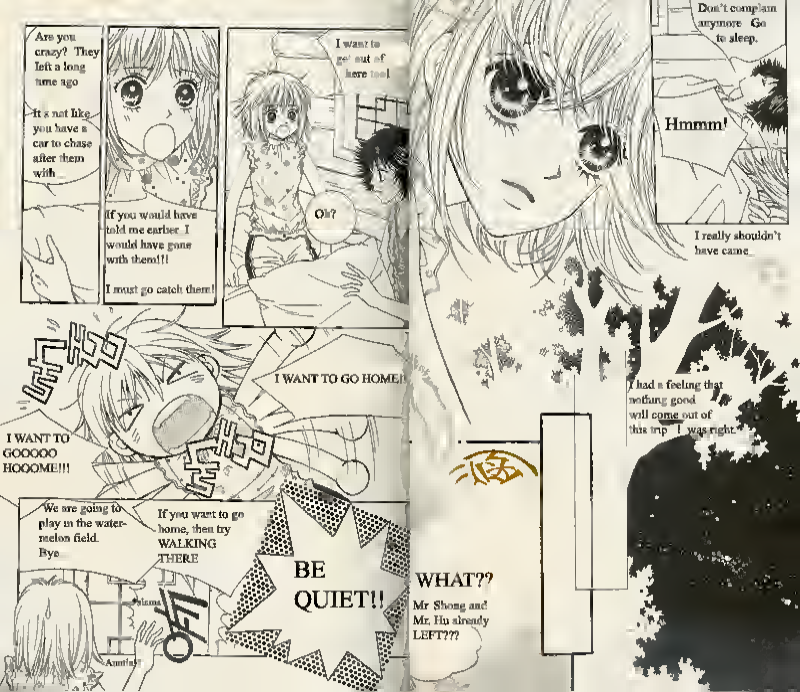


falls off
What's going on with them???
I don't know.
HEY!!
Ahhh!!
What the fuck!!!
WHY DID YOU BITE ME? ARE YOU SOME KIND OF A DOG????
HURRY AND LET ME DOWN!!!
I'm kind enough to carry you and you still treat me like this?
If you want to get off that badly, then figure out how to do it YOURSELF
snatches her wrist right
stern face

As for YOU, YOU are just UNSPEAKABLE!!!
What's wrong?
Didn't you tell me to find a way down on my own?
I did just THAT
That does NOT give you the right to BITE ME!
Jing-Zhi?
Lee Xiao at least has a cute side to him



I shouldn't have came
If I knew the place is like this, I wouldn't have came
What?
There is no computer and my cell phone also doesn't work here.
What did you say??
So what?
There are PC cafes in the town and other people's phone seem to work fine
Well then, I'm sorry if my phone is OLD ...
She said I'm cute!
What the hell is she talking about?
Are you like STUPID or something?
Aiyaya
Why is he always like that?
He is always humiliating me.
Why are there people like HIM?
He really sucks and has NO CLASS!!



Are you crazy? They left a long time ago
It's not like you have a car to chase after them with
If you would have told me earlier, I would have gone with them!!!
I must go catch them!
I want to get out of here too!
Oh?
Don't complain anymore. Go to sleep.
Hmmm!
I really shouldn't have came
I had a feeling that nothing good will come out of this trip. I was right.
I WANT TO GO HOME!!!
I WANT TO GOOOOO HOOOME!!!
We are going to play in the watermelon field. Bye
If you want to go home, then try WALKING THERE
Yalong
Ammiah
BE QUIET!!

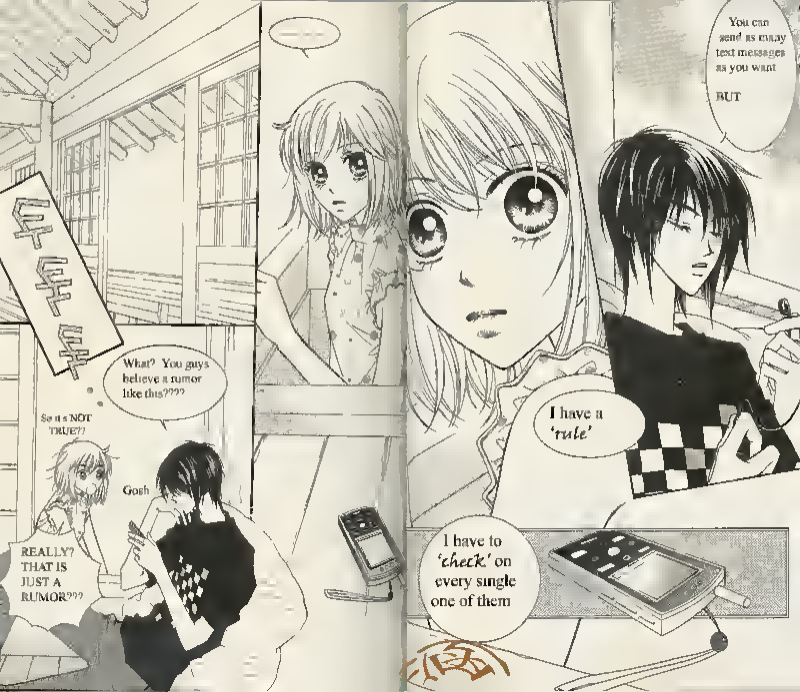
My auntie is the WORST. How could she leave her niece behind like THIS???
So cold. So hungry.
OH YES!!!! How come there's a phone here???
I am SAVED!!!

My phone is too old so I can't get any signals here
You can go ahead and use it
I really am sorry I didn't mean to use your phone without asking
That's my phone.
What do you think you are doing? Are you trying to use it behind my back??
I'm sorry I didn't know this is your cell-phone
I... I just want to send some text messages
puts the phone down
You sure are a weird one. You don't even know whose phone it is and you were still trying to use it?
What happened to your phone?



You can send as many text messages as you want

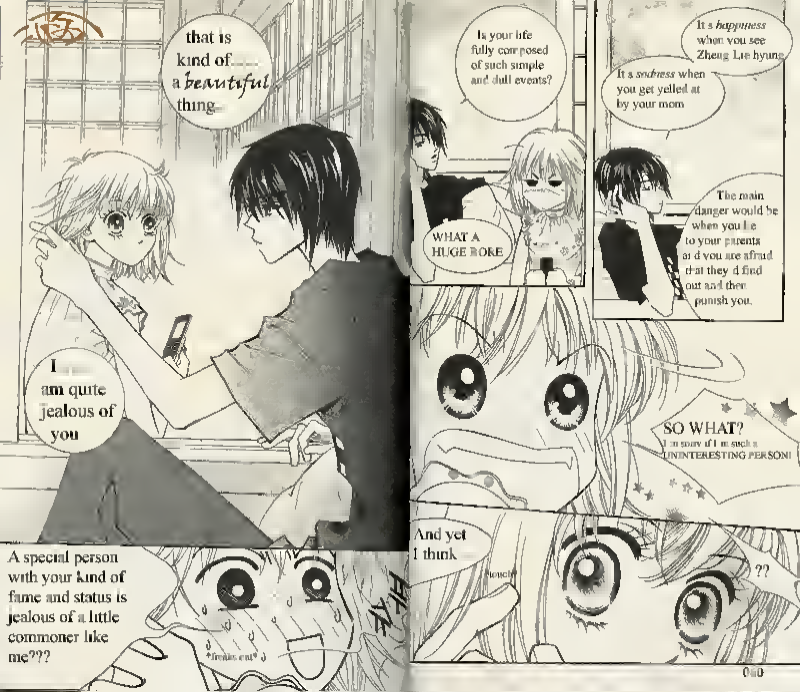
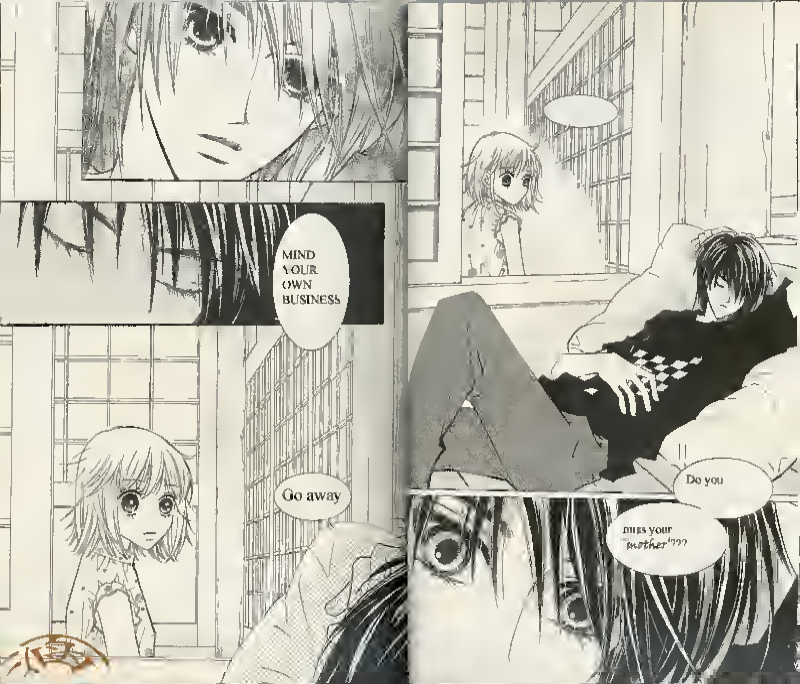
I KNEW he can't be THAT NICE
Go ahead and text message her back
"text"
OH?
I heard that there are some older fans who are offering to buy Zheng Lie repair expensive cars if he is willing to meet them
—Xiao-Shan
Well it's not TOTALLY untrue. There are always some wacky fans out there.



that is kind of.... a beautiful thing
I am quite jealous of you
A special person with your kind of fame and status is jealous of a little commoner like me???
freaks out
Is your life fully composed of such simple and dull events?
WHAT A HUGE JOKE
It's happiness when you see Zheng Lie hyung
It's sadness when you get yelled at by your mom
The main danger would be when you lie to your parents and you are afraid that they'll find out and then punish you.
SO WHAT?
I'm sorry if I'm such a UNINTERESTING PERSON!
And yet I think
teach
??

What?
You are lucky
You have such *normal* parents
and you get to live such a *normal* life.
Ha ha ha
So it's kind of like when a person gets to eat expensive steaks everyday and then when they get tired of it, they want to start eating something else such as a tasteless salad??
IDIOT!
You sure know how to use your *'metaphors'*.
You can continue on with your *meaningless* text messages now



MIND YOUR OWN BUSINESS
Go away
Do you miss your mother???

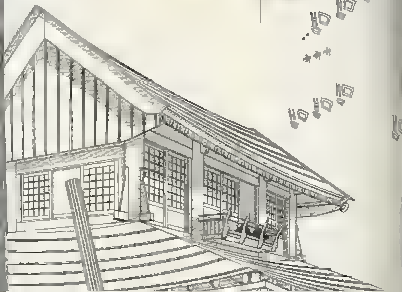
are the sounds of life

Just like us humans, they have troubles and obstacles that they have to overcome too

If *they* can get through them, then why can't we?

The cicadas are making a lot of noise out there

I think the sounds they are making



I know! The ones here are so juicy and sweet!

Has he no shame?

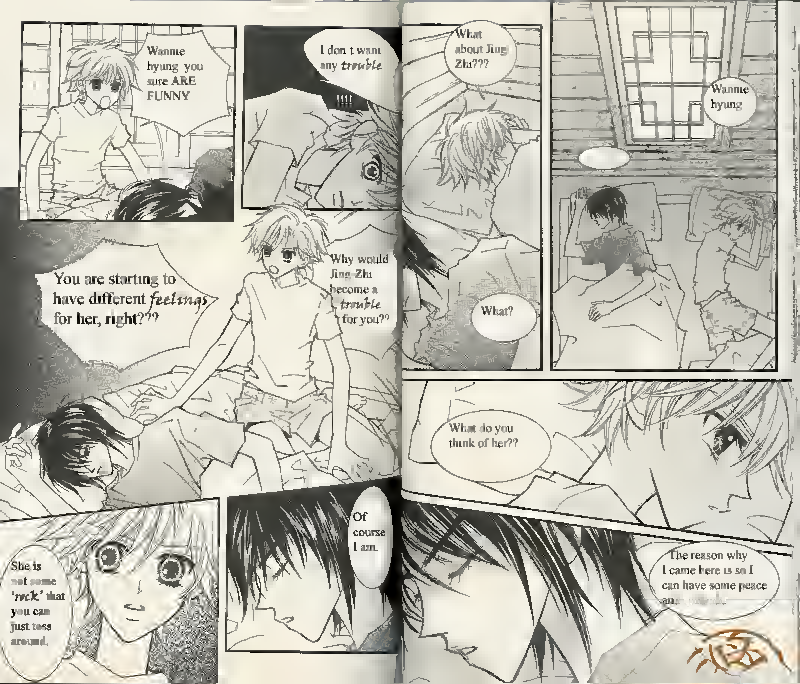
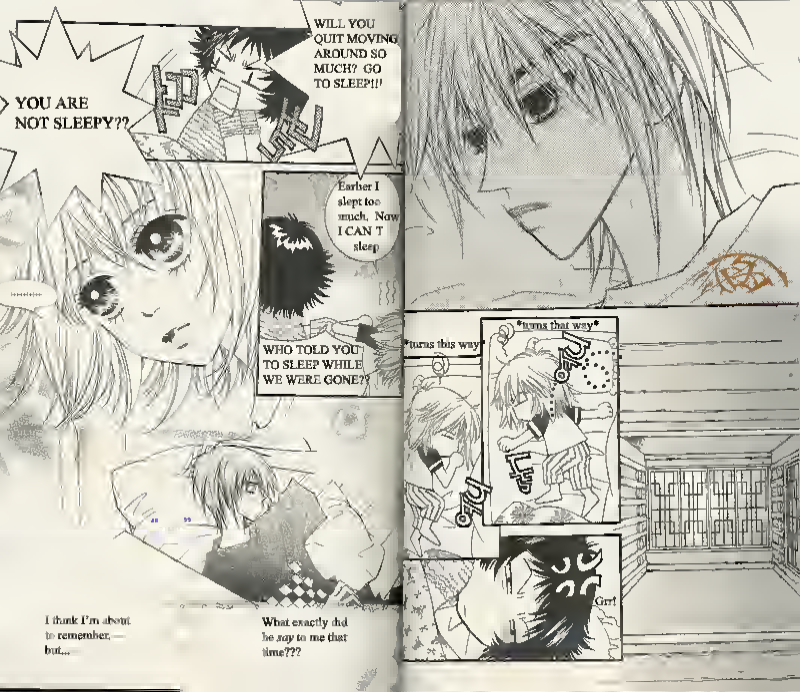
I think *something* happened



Wannie hyung you sure ARE FUNNY
I don't want any trouble
!!!!
What about Jing Zhi???
Wannie hyung
What?
You are starting to have different feelings for her, right??
Why would Jing Zhi become a trouble for you??
What do you think of her??
She is not some 'rock,' that you can just toss around.
Of course I am.
The reason why I came here is so I can have some peace an

The way that girl was drowning in her pool of drool when she was sleeping didn't scare you away yet???
I am already in a bad mood Don't bother me with stupid things like this anymore.
She is a living thing that can move and sense things.
Anyone would feel for her once they get to know her.
I have to treat her like she's some animal just because you claim that she is yours?
You would develop feelings for animals??
THERE MUST BE SOMETHING MISSING IN YOUR HEAD
PSHHH!!
Your standard sure is LOW.



YOU ARE NOT SLEEPY??
WILL YOU QUIT MOVING AROUND SO MUCH? GO TO SLEEP!!!
Earlier I slept too much. Now I CAN T sleep
WHO TOLD YOU TO SLEEP WHILE WE WERE GONE??
I think I'm about to remember,— but...
What exactly did he say to me that time???

Is Jing-Zhi sick????
I thank I have a cold.
I feel so dizzy....
IT'S YOUR OWN FAULT!
There's no need.
Miss Eugene should I fix Jing-Zhi some food???
No thank you. I'll take care of her. You don't have to worry about it.
How about some porridge
We came out here to have fun but here you are SICK IN BED!!

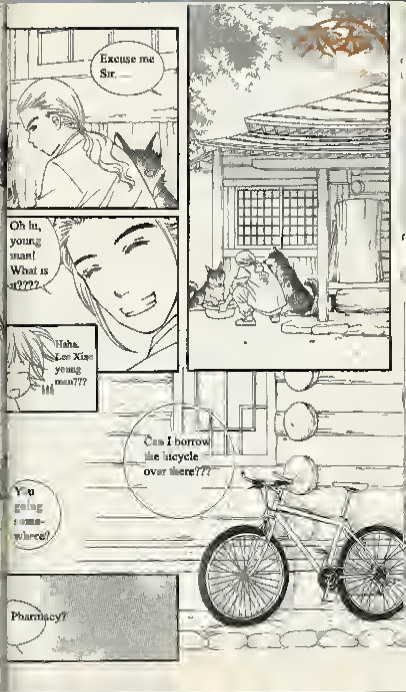
There is a 'Chun Xiang' pharmacy by the bus stop next to the local market.



Excuse me Sir.

Haha. Lee Xiao young man???
Can I borrow the bicycle over there???
You going somewhere?

Oh? His head is an ORANGE HEAD??
Looking at his hair makes me crave for some orange fruits!!!
What? Say again???
His hair is orange friends....
Yeah! You sure can SPOT his head from FAR AWAY!!!
Hey! That boy's head looks like it's on FIRE!
Doesn't it???
What? Say again?
Lee Xiao beam all.

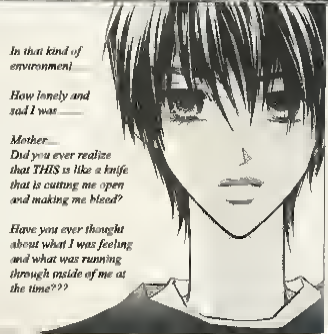
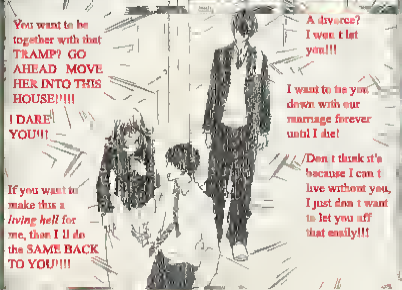
Thus feels weird! They are all looking at me!!!
Do all these grandpas, grandmas recognize me??

A living hell.....



In that kind of environment
How lonely and sad I was
Mother...
Did you ever realize that THIS is like a knife that is cutting me open and making me bleed?
Have you ever thought about what I was feeling and what was running through inside of me at the time???



You want to be together with that TRAMP? GO AHEAD MOVE HER INTO THIS HOUSE!!!!!
I DARE YOU!!!
If you want to make this a living hell for me, then I ll do the SAME BACK TO YOU!!!!
A divorce? I won t let you!!!

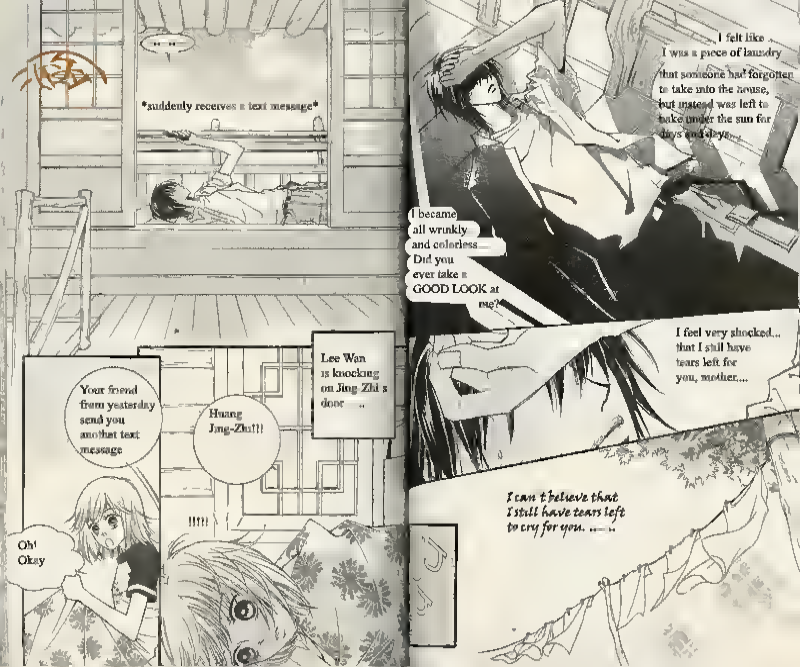
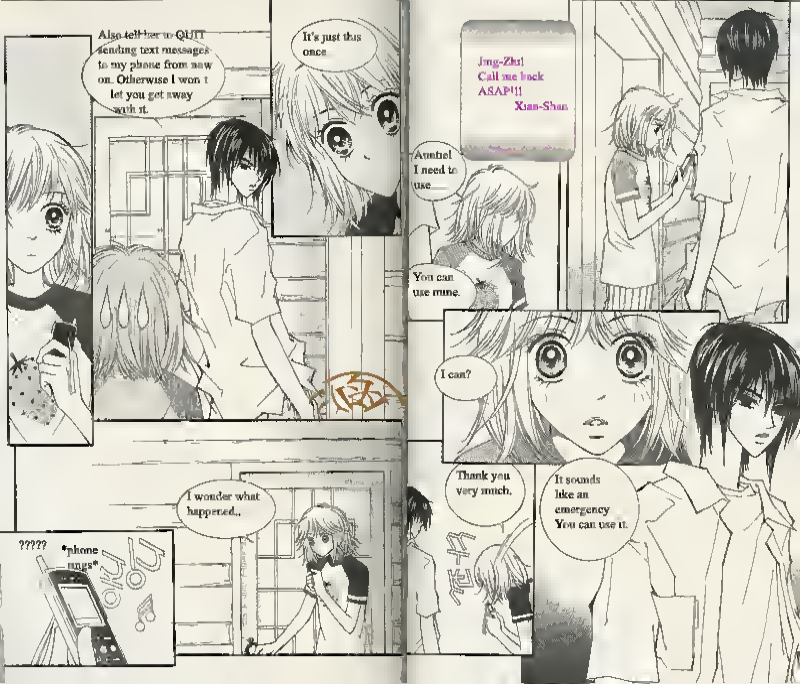
/Don t think it's because I can t live without you, I just don t want to let you off that easily!!!



suddenly receives a text message
Your friend from yesterday send you another text message
Oh! Okay
Huang Jing-Zhi!!!
!!!!!
Lee Wan is knocking on Jing-Zhi's door ...
I felt like I was a piece of laundry that someone had forgotten to take into the house, but instead was left to bake under the sun for days and days...
I became all wrinkly and colorless...
Did you ever take a GOOD LOOK at me?
I feel very shocked... that I still have tears left for you, mother....
I can't believe that I still have tears left to cry for you. ....



Also tell her to QUIT sending text messages to my phone from now on. Otherwise I won't let you get away with it.
It's just this once.
Jung-Zhi
Call me back
ASAP!!!
Xian-Shan
Aunhe!
I need to use...
You can use mine.
I can?
It sounds like an emergency
You can use it.
Thank you very much.

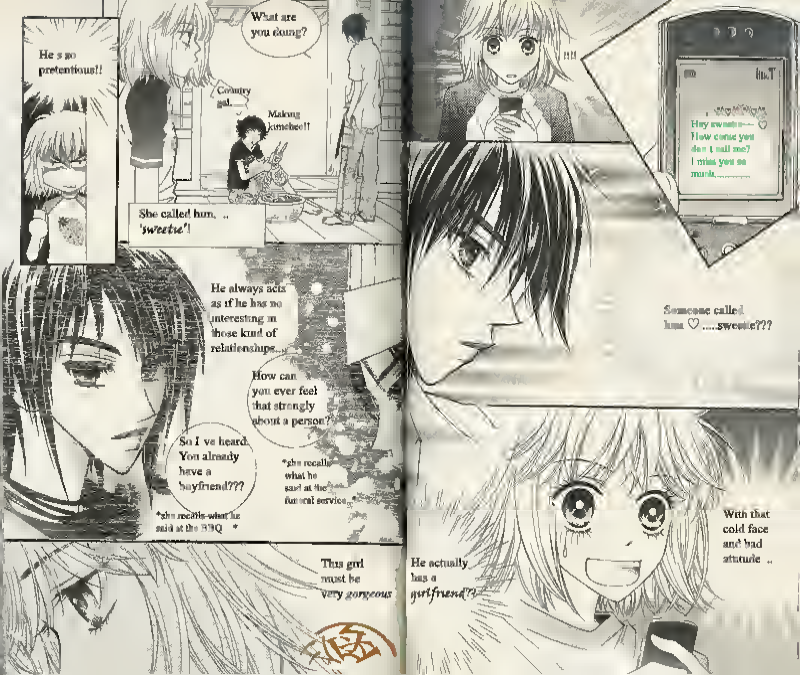
phone rings



He s so pretentious!!
What are you doing?
Country gal.
Making kimchee!!
She called hun, .. 'sweetie'!
He always acts as if he has no interesting in those kind of relationships...
How can you ever feel that strongly about a person?
So I ve heard. You already have a boyfriend???

This girl must be very gorgeous
He actually has a girlfriend??
Hey sweetie~~ How come you don t call me? I miss you so much.....
Someone called him ♡.....sweetie???

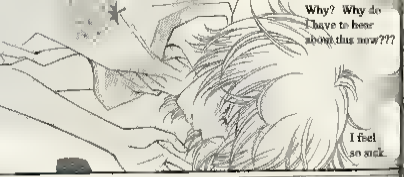
He doesn't even pay any attention to an attractive girl like Barbie so...
He thinks he is ALL that huh?
Hello?
DDL a song comes on--
Huh she switched song again?
Ok let's not think about THAT. It's time to call Xiao-Shan back.
That is not ALL. There is also another news that is way more shocking...
What?

But I thought Zheng-Lie oppa kept denying it. He already said it ISN'T TRUE. Why are they still talking about this now???
The lead singer from the group 'Orange Girl'... You know He Wen-Ling, the prettiest one.
ARE YOU SERIOUS??
This time it's DIFFERENT
This time it is all over the three major newspaper's head-lines. There are witnesses, pictures, and other proofs. I think it really IS TRUE!
But, but Zheng-Lie oppa had already said that it is just a rumor.....
Really?
Zheng-Lie oppa is really seeing someone right now!!!!
Seeing who??

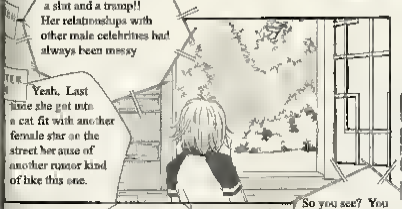


Why? Why do I have to hear about this now???
I feel so sick.
I feel like I'm about to go crazy....

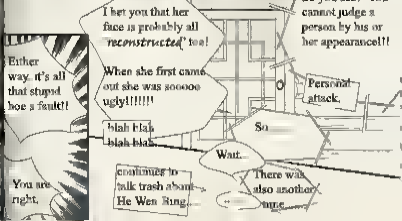
EUGENE NOONA!!!!
Where did you go?
I went into town.

Xiao Shan, what do you think of all this?
I just think that,

So... it really IS TRUE?



He Wen-Ring is a slut and a tramp!! Her relationships with other male celebrities had always been messy
Yeah. Last time she got into a cat fit with another female star on the street because of another rumor kind of like this one.



So you see? You cannot judge a person by his or her appearance!!!
I bet you that her face is probably all "reconstructed" too!
When she first came out she was soooo ugly!!!!!!
Either way, it's all that stupid boa's fault!!
Personal attack.
So...
blah blah blah blah
Wait..
You are right.
continues to talk trash about He Wen Ring.
There was also another one.....

Huang Jing-Zhi, I hope you won't get all emotional when you find out..
that I went through all this trouble just to get you medicine to help you feel better!!!!
knock knock
Are you awake???
JING-ZHI!
Jing-Zhi!

Stupid! If you feel sick you should tell Eugene nuona!
Why are you all hiding under the covers crying by yourself like this?
I'm not a kid. Only kids will cry when they are SICK.
BA~~KA~~!!
SO WHY ARE YOU CRYING THEN???
Look!! DO I ALWAYS HAVE TO TELL YOU EVERYTHING?
gets up

Lee Xiao slumped her head with a metal PLATE....
ON TOP OF THAT, She was crying over Zheng-Lie so hard that she is having a splitting headache...

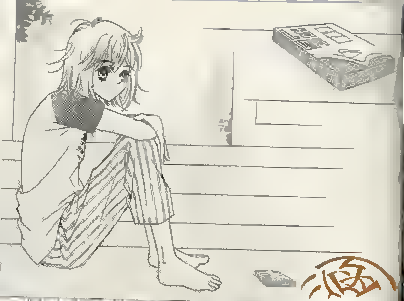
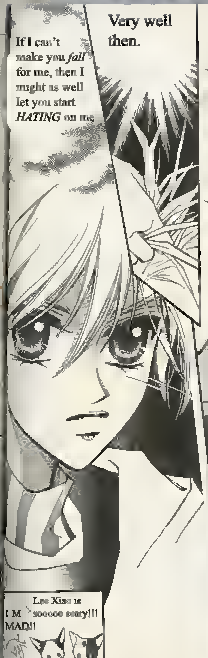
Huang Jing-Zhi.



He didn't have to hit me.....

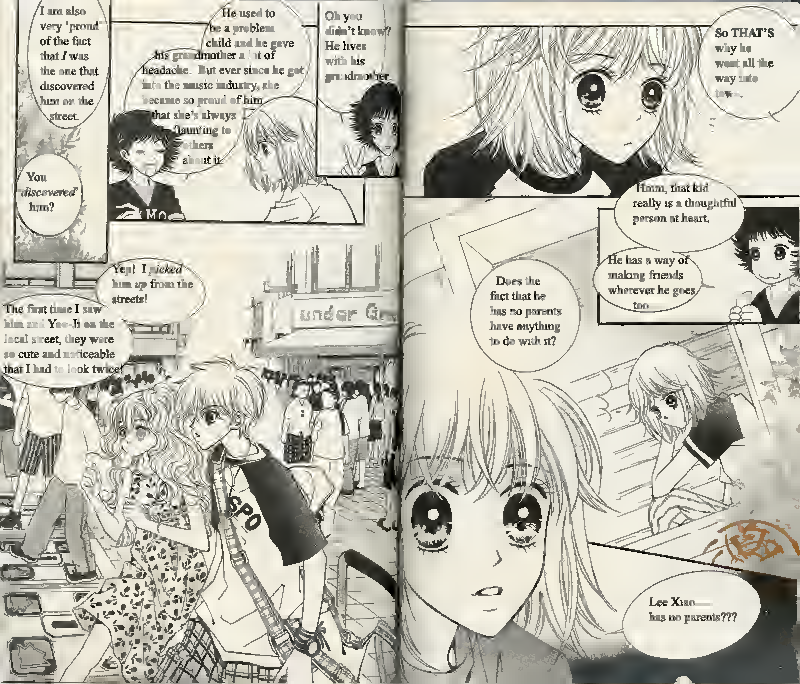
Oh? How come there's cold medicine?
Lee Xiao gave it to me.

Jing-Zhi, lunch time!
MaYi

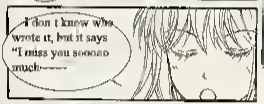


If I can't make you *fall* for me, then I might as well let you start *HATING* on me
Very well then.
Lee Xiao is SOOOOO sorry!!! I'M MAD!!!

I'm starting to feel very *sick* and *tired* of the fact that I have all these strange feelings towards you.



I am also very 'proud' of the fact that I was the one that discovered him on the street.
You discovered him?
He used to be a problem child and he gave his grandmother a lot of headache. But ever since he got into the music industry, she became so proud of him that she's always flaunting to others about it.
Oh you didn't know? He lives with his grandmother.
So THAT'S why he went all the way into low-
Hmm, that kid really is a thoughtful person at heart.
He has a way of making friends wherever he goes, too.
Does the fact that he has no parents have anything to do with it?
Lee Xiao— has no parents???
Yes! I picked him up from the streets!
The first time I saw him and Yao-Ji on the local street, they were so cute and noticeable that I had to look twice!
under Ge
SPO



A lot of things turn out to be huge surprises for me.

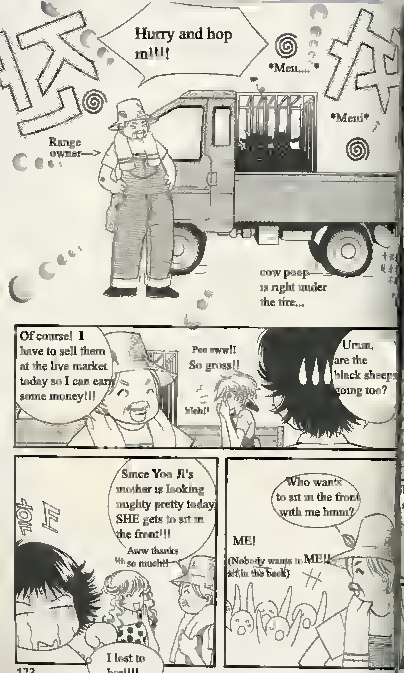
He not only has a "*girlfriend*", he was also discovered in an *underground club*????

You sure cannot judge a person by his appearance!

So people really DO get discovered that way. I've always thought that in reality, they were actually discovered in places like a club or something.
Lee Wan IS the one that was discovered in an underground club.
NO!
GAH??

slams
You read my personal message without MY permission and you still had the NERVE to announce it in front of everyone?!
I didn't do it on PURPOSE! It just suddenly came when I was about to make a phone call!!!
You are done eating??
I'm full.
Lee Xiao

Awww sweetie! Did I cause some trouble for you???
STOP IT!
I thought I already told you to stop calling me sweetie.
Are you all right?
Gosh I am jealous of you. With my ankle like this, I still have to attend all those tapings and TV shows . . . .
Unlike YOU, who gets to take it EASY in the countryside
Yeah I just pulled a muscle, that's all.
It'll give me problems
Hyung you really have changed.
Since when did you start to talk like an old working man???



Hurry and hop in!!!!
Mmm...
Mmm
Range owner

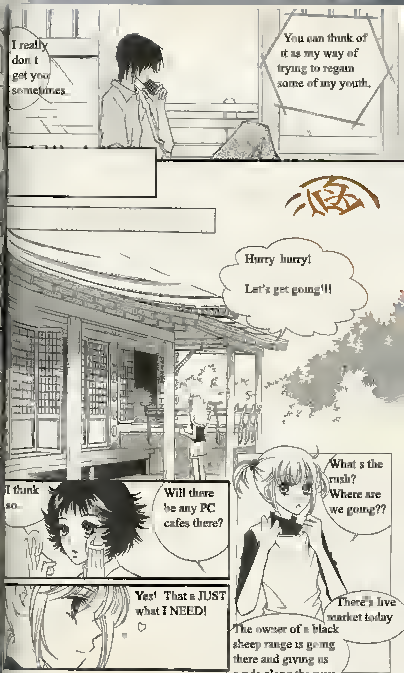
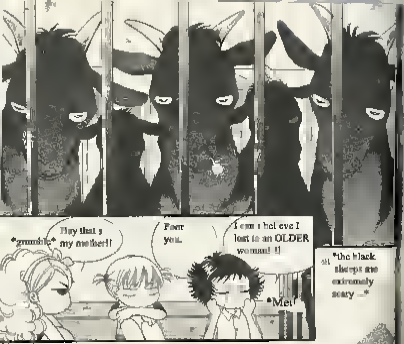
Of course! I have to sell them at the live market today so I can earn some money!!!
Pee ewww!! So gross!!
Yeah!!
Umm, are the black sheep going too?
Since Yoo Ji's mother is looking mighty pretty today, SHE gets to sit in the front!!!
Aww thanks so much!!
I lost to her!!!!
Who wants to sit in the front with me hmm?
ME!
(Nobody wants in ME!! left in the back)



I really don t get you sometimes.
You can think of it as my way of trying to regain some of my youth.
Hurry hurry! Let's get going!!!
I think so...
Will there be any PC cafes there?
Yes! That s JUST what I NEED!
What s the rush? Where are we going??
There's live market today
The owner of a black sheep range is going there and giving us a ride along the way.

so he acts that way towards everyone else?
Is it because he has no parents...
For Lee Yoon, deep down inside...I am sure that he must be hurting.
So why does he always keep such a *big* and *bright* smile in front of everyone?
Hurry up!
...jumps right up*
No need. Why don't you help Jung-Zhi since she's the one with the BIG BUTT!
Hey!
I know she didn't mean any harm by what she just said but still!!!
Well my butt IS kind of big.
Give me your hand...
Here Yoo-Ji. Let me help you up.



grumble
Hey that's my mother!!
Feer you.
I am not ever I lost to an OLDER woman!!!
Me!
the black sheep me extremely scary...

Oh okay
*What was THAT!

COMPUTERS!!
You don't want to stay here?
You want to go to a PC cafe instead? But the market is a lot more fun!
No
I want to go with her too
(You Jr talks about the places she wants to go and food she wants to eat... not translated)

Oh yay! Computer games!!!!
A mouse! Aww I miss you sooo:oo much my little mousey
Fine then We'll split into 2 groups of 3!

I don't like crowded places

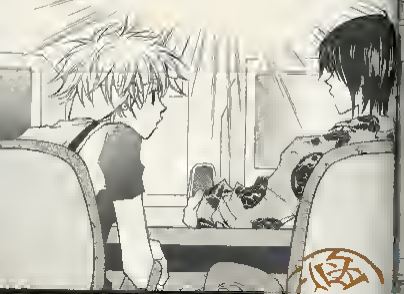
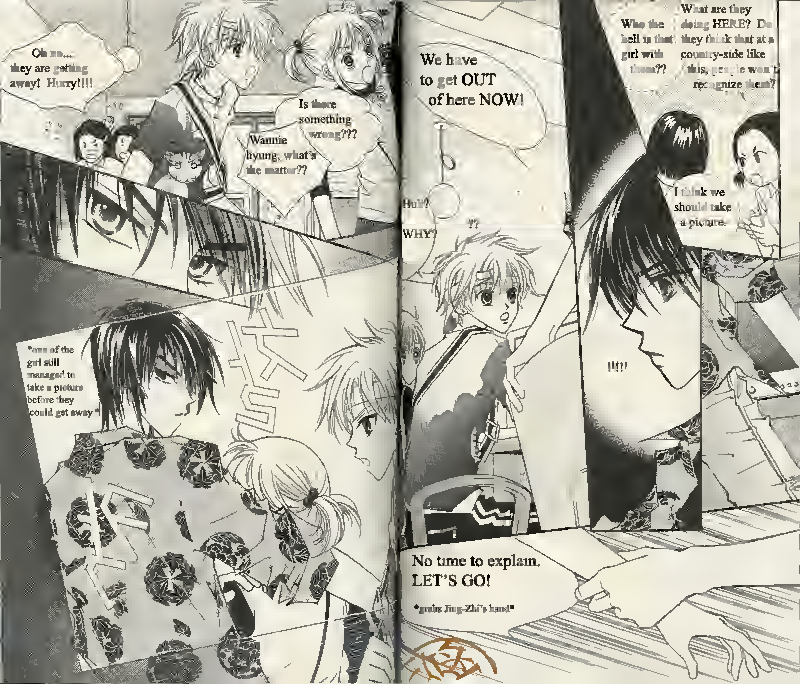
(she's trying to update herself on some entertainment news)
OMG OMG OMG!!!! There's so much to do now that I have a computer!!!!!!!!!!
excited
I KNOW!
I don't get those three, the Inve market is the place to be!
Hi! ♡
Come meet us at the PC cafe later, ok?

the dotted bubbles mean that they are whispering

THAT IS LEE XIAO AND LEE WAN FROM Yo-i!!!!!!

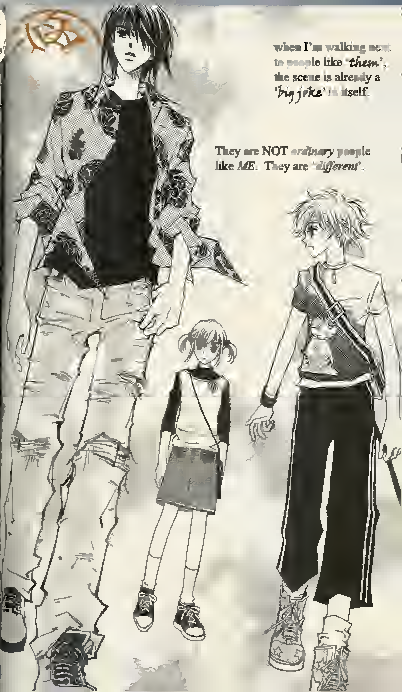




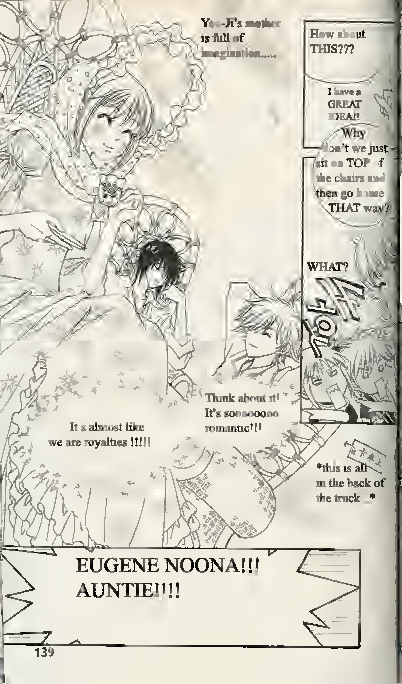
Oh no... they are getting away! Hurry!!!!
Is there something wrong???
Wannie hyung, what's the matter??
"one of the girl still managed to take a picture before they could get away"
We have to get OUT of here NOW!
Huh?
WHY?
??
What are they doing HERE?? Do they think that at a country-side like this, people won't recognize them?
Who the hell is that girl with them??
I think we should take a picture.
!!!?
No time to explain. LET'S GO!
grabs Jing-Zhi's hand

That's right. They are famous singers!
They are celebrities.
Let's go somewhere else first for now.
I keep on forgetting that...
In reality...
Yeah...
They ruined our fun.
Some girls in there recognized us
I think they took a picture too.
If I knew I would have checked myself in the mirror to see if I look ok!!
I'm always ready for autographs.
REALLY? Why didn't you tell me earlier??
Dude! What was THAT about???
They probably took a pic of Jing-Zai too.
Since she was with us...
On our way out, I used my best to cover her up but I don't think it worked.
I think something bad might happen after this...

I couldn't find them ANYWHERE. It turned out that they went to a small town in Qing-Bei???
I know! He looked so scary! If we post this picture on the internet, will there be a Shackleboo!?
Did you see the way Lee Wan looked at us?
Phew it posted on-time
shivers from anger
And — they even took HER along????



when I'm walking near to people like 'them', the scene is already a 'big joke' in itself.
They are NOT ordinary people like ME. They are 'different'.



Yu-Ji's mother is full of imagination.....
How about THIS???
I have a GREAT IDEA!!
Why don't we just sit on TOP of the chairs and then go home THAT way?
WHAT?
Think about it! It's sooooooo romantic!!!
It's almost like we are royalties !!!!!
this is all in the back of the truck..
EUGENE NOONA!!! AUNTIE!!!!

The owner of the Chinese restaurant told me he was going to throw away all these wonderful bamboo wooden chairs!
Don't you guys think that is such a waste? We have to conserve our natural resources!
GAHH!! WHAT ARE THOSE????
IN OTHER WORDS, YOU ARE GOING TO TAKE ALL THESE CHAIRS BACK HOME???
Yup!
Well..I don't mind the chairs But since they go in the back of the truck, where are the rest of US going to sit then????

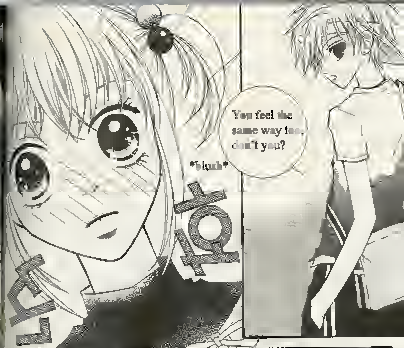
Then take your time walking! Bye!
TRAITOR!!!
Pffft! I'm not AFRAID to walk! WE CAN MAKE IT HAPPEN!!!!
Pshhhh!!!

I think...
DO YOU THINK THIS IS APPROPRIATE??
Eeeeh!!!
OMG...
It's not THAT bad, so...
It's too far to walk home!
It should be fun!!
SAME HERE! I ALSO REFUSE!!!!
I REFUSE TO GO BACK LIKE THAT EVEN IF YOU KILL ME!!!
People will STARE!!!
!!!!
!!!!

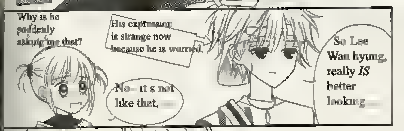
Well I meant that he is full of personalities!
You think so?
Oh?
The truth is...
the type of guys like Lee Wan hyung is more attractive than guys like ME. He's better looking
...

Yeah! And then there's Lee Wan hyung...
my aunt was trying to cover her face as the truck drove away? that's embarrassed but she still went with it!
He was sitting on one of the chairs but he still acts as if he's so much better and cooler than everyone else
That's what makes him so appealing! He looks good no matter what he is doing!

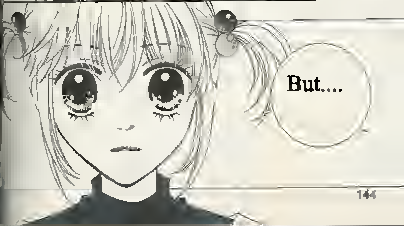
I'm still not TOO bad, right?



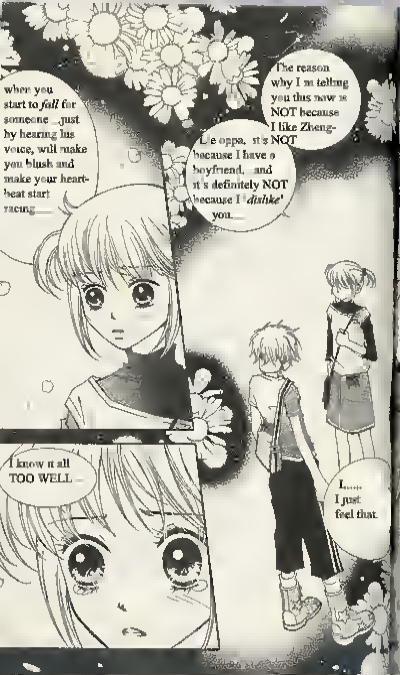
You feel the same way too, don't you?
blush



Why is he suddenly asking me that?
His expression is strange now because he is worried.
No... it's not like that.
So Lee Wan hyung, really IS better looking...

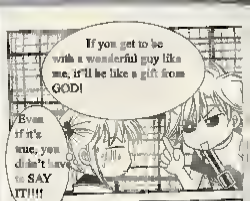


But....



when you start to *fall* for someone ...just by hearing his voice, will make you blush and make your heart-beat start racing——
The reason why I'm telling you this now is NOT because I like Zheng-Le oppa, it's NOT because I have a boyfriend, and it's definitely NOT because I "*dislike*" you.....
I know it all TOO WELL...
I..... I just feel that

I'm not sure.
that may be all true But even if that s the case,

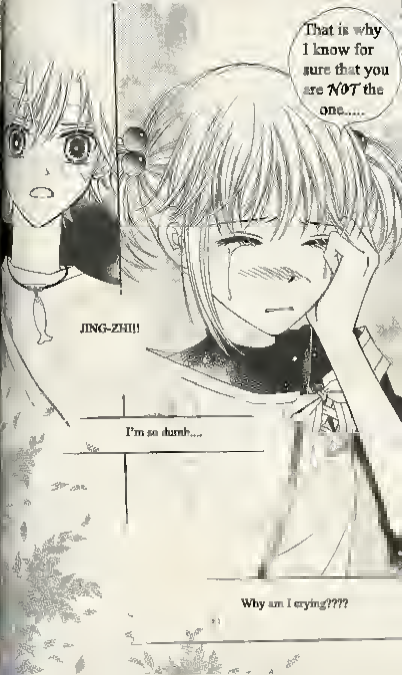


If you get to be with a wonderful guy like me, it'll be like a gift from GOD!
Even if it's true, you didn't have to SAY IT!!!!

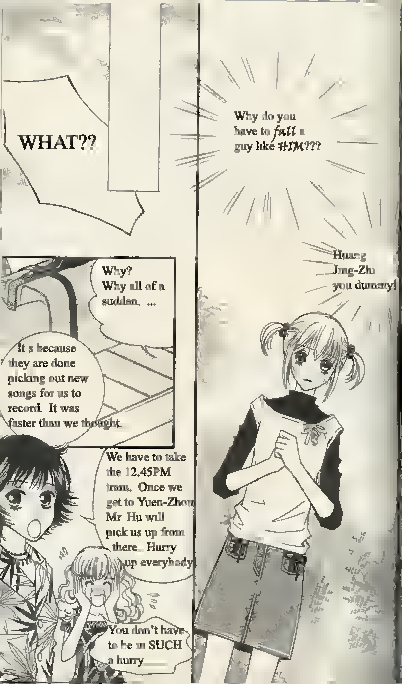
If you have a guy like Me as your boyfriend, you should feel so ecstatic to the point that you'll start to dance all over the streets!!!
Les Xiao has no shame

if I don't feel *that way* towards you,
then what difference does all *that* make?

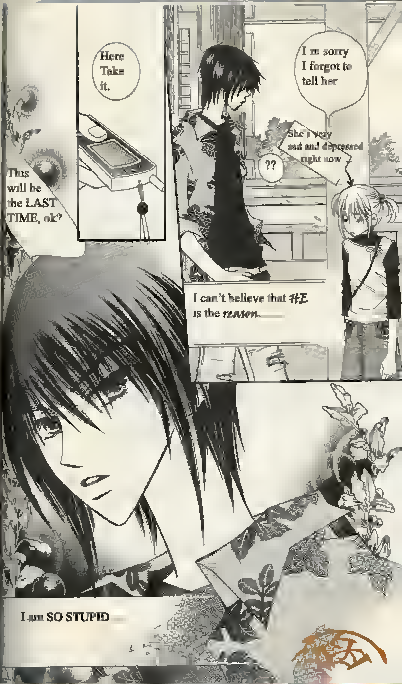
HUANG JING-ZHI!!!
(Lee Wan is yelling at her again.)
I'm such a dummy. Why didn't I figure all this out sooner? The reason why I *could not* and *cannot* accept Lee Xiao's affection is because of
Did you tell your friend to STOP sending text messages to my phone??
DID YOU TELL HER THAT???
because of *this* person.....



That is why I know for sure that you are *NOT* the one.....
JING-ZHI!!
I'm so dumb....
Why am I crying????



WHAT??
Why do you have to *fall* a guy like *HIM*???
Why? Why all of a sudden. ...
It's because they are done picking out new songs for us to record. It was faster than we thought.
We have to take the 12.45PM train. Once we get to Yuen-Zhen Mr Hu will pick us up from there. Hurry up everybody.
You don't have to be in SUCH a hurry.....
Huang Jing-Zhi you dummy!



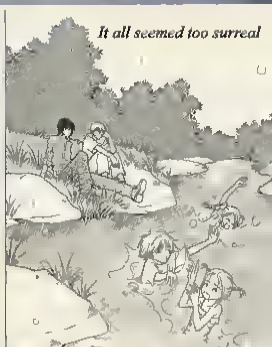
Here Take it.
This will be the LAST TIME, ok?
I'm sorry I forgot to tell her
She's very sad and depressed right now
??
I can't believe that *HE* is the *reason*.....
I am SO STUPID.....

Whether it's a sweet dream...
or a nightmare...

I'm sorry! I'll be back soon!!!
If you leave, who will help me bake the potatoes, stock the yams and peel the corns????
Waaa!!!!
They act like they are related
Eugene what am I suppose to do once you are gone????
You're a mother.
Eugene! After this new album is done you must come again?!!!
I will I promise!!!
Mama I'm leaving you too! Take a look at me!!!
So just like that, we all left that small town.

One thing is for sure....
It was almost like a dream, and not for real.

How many concerts do you plan to see?
I plan to attend the one in Seoul and in Ren-Chuan (a city of Korea)
How about the one at Da Tian (another city of Korea)?
DDL kept saying that they will be having a tour around the country now it's finally happening.
I know
WHAT?
Da Tian too???
Why not? Just going to the ones in Seoul and Ren-Chuan is NOT enough. Come with me!!!



It all seemed too surreal

Are they recording new songs right now?

Or are they practicing new dance routines?

Ever since we came back, Lee Xiao did not send me a single text message

Auntie had moved out of our house too so I don't even get to see her...

Gosh why am I still thinking about them... ?

"..... ... .. "

Leave your comps on. I'll tell them to find you on-line.

Got it.

When Ming and Flower Fairy get on-line later they can help you think of something

How will I explain it to my mom?

The concert ends at 10PM By the time I get home...it would be around 2AM

LOVE BUCKET

(the web-site Love Bucket has DDL's tour schedule listed.... It gave a bunch of dates and names of places the concerts will be held at....not translated)

Hmm?
What's wrong?
Oh he is sick' (LOVE-SICK)
You may be right! We haven't seen her in awhile. Are you two fighting or something?
Haha. If so, then he SHOULD be sick. I'm surprised that he's not DEAD yet....

But I thought you love her to DEATH...
